Methods for the Manufacture of Nucleic Acid Molecules

RESPONSE TO NOTICE OF NON-COMPLIANT AMENDMENT (Response)

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

In response to the Notice of Non-Compliant Amendment mailed on March 10, 2008, Applicants enclose a revised copy of the Amendment and Response to Restriction requirement that was filed on July 21, 2007. This Response contains the correct electronic signature

Applicants respectfully request reconsideration in light of the following amendments and remarks. The Commissioner is kindly asked to charge our deposit account 04-2223 for any fees that may be due and owing in connection with this application.
